Emer had asked, showing her round, strong arms, her hard, red hands. The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force. "I talked to him last night," Golden said. He spent his youth and what remained of his inheritance in law courts and the anterooms of the Lords of Way in Shelieth, trying to prove his right to the whole domain as it had been a hundred years ago. He came back unsuccessful and embittered and spent his age drinking the hard red wine from his last vineyard and walking his boundaries with a troop of ill-treated, underfed dogs to keep interlopers off his land. summer nights, She asked him where the food they ate came from; what the School did not supply for. escaped him. Highdrake took Medra as his student, gratefully. "I was taught my art by a mage who gave me freely. The Doorkeeper looked at her for what seemed a long time. Then it is your name," he said. "But. with themselves, their life. When they talked to each other it was always about what they were. Otter's breath was coming hard. Hound put his hand on Otter's hand for a moment, said, "Don't worry," and got to his feet. "Rest easy," he said. The Summoner looked up at Irian. Slowly he raised his arms and the white staff in the invocation of a spell, speaking in the tongue that all the wizards and mages of Roke had learned, the language of their art, the Language of the Making: "Irian, by your name I summon you and bind you to obey me!" under my breath and took the cup. She poured herself a drink from the second bottle. This liquid. Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones. happened. Across the
