One of the crew got me through. That can wait. It's about Celia.."Shuddup," Colman hissed.."I said you can stuff it." Suddenly the feeling of intimidation that had haunted Bernard for years was gone. The role that he had allowed himself to be twisted and bent into shriveled and fell away like an old skin being sloughed off. For the first time he was-himself, and free to assert himself as an individual. And on the far side of the desk before him, the granite cathedral cracked apart and collapsed into rubble to reveal . . . nothing inside. It was a sham, just like all the other shams that he had been running from all his life. He had just stopped running..Nevertheless, during the week that she'd been staying with Aunt Gen, she awakened each morning with.hunger, and though the flood of saliva is bitter, it fails to diminish his appetite.."And whether it was by design or accident, they've managed to solve a lot of other problems too," Eve said. "Take crime for instance. Theft and greed are impossible, because how can you steal another man's competence? Oh, you could try and fake it, I suppose, but you wouldn't last long with people as discerning as Chironians. They can see through a charlatan as quickly as we can spot ourselves being shortchanged. In fact to 'them that's just what it is. They have their violent moments, sure, but nothing as bad as what's coming in from Africa on the beam right now, or what happened in 2021. But it never turns into a really big problem. There's no motivation for anyone to rally round a would-be Napoleon. He wouldn't have anything to offer that anybody needs.."Is there a computer in the house?" Bernard called out. "At your service," a voice replied from the direction of the screen. "I answer to Jeeves, unless you want to {sake it something different." The voice changed to that of a girl speaking with a distinctive French accent. "Une petite francaise, possiblement?" Then it switched to a guttural male--"Karl, ze Bavarian butler, maybe?"--to smooth tones--"Or perhaps something frightfully English might meet more with your approval?"--and finally back to its original American. "All planetary communications and database facilities at your disposal--public, domestic, educational, professional, end personal; information storage, computation, entertainment~ instruction, tuition, reference, travel arrangements, accommodations, services, goods, end resources, secretarial assistance, and consultancy. He had slept with her a few times, many months ago now, and enjoyed it. However much he had found himself becoming aroused by her attention through the evening, the conversation about pairings and the imminence of planetfall introduced a risk of misinterpretation that hadn't applied before. Being able to

look forward to making a stable and permanent domestic start on Chiron could well be what lurked at the back of Anita's mind. When he got the chance, he decided, he would have to whisper the word to Hanlon to help him out if the need arose as the evening wore on.
