That's among positive results of your readers can be influenced by mcdougal out of each concept. And that ebook is had to read detail by detail, so it could be consequently ideal for you and your entire life. Jesus, The Three Men and our Lord, i. 282.. Therewithal Queen Es Shuhba rejoiced and all who were present rejoiced also and admired her speech and fell to kissing her; and when she had made an end of her song, Queen Kemeriyeh said to her, 'O my sister, ere thou go to thy palace, I would fain bring thee to look upon El Anca, daughter of Behram Gour, whom El Anca, daughter of the wind, carried off, and her beauty; for that there is not her match on the face of the earth.' And Queen Es Shuhba said, 'O Kemeriyeh, I [also] have a mind to see her.' Quoth Kemeriyeh, 'I saw her three years ago; but my sister Wekhimeh seeth her at all times, for that she is near unto her, and she saith that there is not in the world a fairer than she. Indeed, this Queen El Anca is become a byword for loveliness and proverbs are made upon her beauty and grace' And Wekhimeh said, 'By the mighty inscription [on the seal-ring of Solomon], there is not her like in the world!' Then said Queen Es Shuhba, 'If it needs must be and the affair is as ye say, I will take Tuhfeh and go with her [to El Anca], so she may see her.'? ? ? ? ? Say, by the lightnings of thy teeth and thy soul's pure desire, Moan'st thou as moan the doves and is thy heart for doubt on fire? ? ? ? ? By thy ransom, (109) who dwellest alone in my heart, In despair for the loss of the loved one am I..? ? ? ? ? You swore you'd be faithful to us and our love, And true to your oath and your troth-plight were you;? ? ? ? ? a. The First Old Man's Story i.The Khalif laughed at his speech and said, "By Allah, this is none other than a pleasant tale! Tell me thy story and the cause." "With all my heart," answered Aboulhusn. "Know, O my lord, that my name is Aboulhusn el Khelia and that my father died and left me wealth galore, of which I made two parts. One I laid up and with the other I betook myself to [the enjoyment of the pleasures of] friendship [and conviviality] and consorting with comrades and boon-companions and with the sons of the merchants, nor did I leave one but I caroused with him and he with me, and I spent all my money on companionship and good cheer, till there remained with me nought [of the first half of my good]; whereupon I betook myself to the comrades and cup-companions upon whom I had wasted my wealth, so haply they might provide for my case; but, when I resorted to them and went round about to them all, I found no avail in one of them, nor broke any so much as a crust of bread in my face. So I wept for myself and repairing to my mother, complained to her of my case. Quoth she, 'On this wise are friends; if thou have aught, they make much of thee and devour thee, but, if thou have nought, they cast thee off and chase thee away.' Then I brought out the other half of my money and bound myself by an oath that I would never more entertain any, except one night, after which I would never again salute him nor take note of him; hence my saying to thee, 'Far be it that what is past should recur!' For that I will never again foregather with thee, after this night." When the king heard this, he bowed [his head] in perplexity and confusion and said, "Carry him back to the prison till the morrow, so we may look into his affair." There was once in the land of Hind a king of illustrious station, endowed with understanding and good sense, and his name was Shah Bekht. He had a vizier, a man of worth and intelligence, prudent in counsel, conformable to him in his governance and just in his judgment; wherefore his enviers were many and many were the hypocrites, who sought in him faults and set snares for him, so that they insinuated into King Shah Bekht's eye hatred and rancour against him and sowed despite against him in his heart; and plot followed after plot, till [at last] the king was brought to arrest him and lay him in prison and confiscate his good and avoid his estate. (77). Woman (The Old), the Merchant and the King, i. 265..34. The City of Irem dxxxviii. Now Ilmeddin Senjer was at that time Master of Police and he was a man of experience, well versed in affairs: so the king sent for him and when he came before him, he discovered to him that which was in his mind. Quoth Ilmeddin Senjer, 'I will do my endeavour for that which our lord the Sultan seeketh.' Then he arose and returning to his house, summoned the captains of the watch and the lieutenants of police and said to them, 'Know that I purpose to marry my son and make him a bride-feast, and it is my wish that ye assemble, all of you, in one place. I also will be present, I and my company, and do ye relate that which ye have heard of extraordinary occurrences and that which hath betided you of experiences.' And the captains and sergeants and agents of police made answer to him, saying, 'It is well: in the name of God! We will cause thee see all this with thine eyes and hear it with thine ears.' Then the master of police arose and going up to El Melik ez Zahir, informed him that the assembly would take place on such a day at his house; and the Sultan said, 'It is well,' and gave him somewhat of money for his expenses.. There was once in a city of Khorassan a family of affluence and distinction, and the townfolk used to envy them for that which God had vouchsafed them. As time went on, their fortune ceased from them and they passed away, till there remained of them but one old woman. When she grew feeble and decrepit, the townfolk succoured her not with aught, but put her forth of the city, saying, 'This old woman shall not harbour with us, for that we do her kindness and she requiteth us with evil.' So she took shelter in a ruined place and strangers used to bestow alms upon her, and on this wise she abode a while of time..? ? ? ? ? Whenas En Nebhan strove to win my grace, himself to me With camel- loads he did commend of musk and camphor white,? ? ? ? ? Oft as my yearning waxeth, my heart consolet me With hopes of thine enjoyment in all security.. Meanwhile, the Lady Zubeideh, the wife of the Commander of the Faithful, made a banquet in her palace and assembled her slave-girls. As for Sitt el Milah, she came, weeping-eyed and mournful-hearted, and those who were present blamed her for this, whereupon she recited the following verses: When they reached the city, the king heard of their coming and commanded that they should attend him with what befitted [of their merchandise]. So they presented themselves before him, [and the boy with them,] whom when the king saw, he said to them, "To whom belongeth this boy?" And they answered, "O king, we were going in such a road, when there came out upon us a sort of robbers; so

we made war upon them and overcame them and took this boy prisoner. Then we questioned him, saying, 'Who is thy father?' and he answered, 'I am the captain's son of the thieves.'" Quoth the king, "I would fain have this boy." And the captain of the caravan said, "God maketh thee gift of him, O king of the age, and we all are thy slaves." Then the king dismissed [the people of] the caravan and let carry the youth into his palace and he became as one of the servants, what while his father the king knew not that he was his son. As time went on, the king observed in him good breeding and understanding and knowledge (100) galore and he pleased him; so he committed his treasuries to his charge and straitened the viziers' hand therefrom, commanding that nought should be taken forth therefrom except by leave of the youth. On this wise he abode a number of years and the king saw in him nought but fidelity and studiousness in well-doing..As stated In the Prefatory Note to my "Book of the Thousand Nights and One Night," four printed Editions (of which three are more or less complete) exist of the Arabic text of the original work, namely those of Calcutta (1839-42), Boulac (Cairo), Breslau (Tunis) and Calcutta (1814-18). The first two are, for purposes of tabulation, practically identical, one whole story only, (222) of those that occur in the Calcutta (1839-42) Edition, (which is the most complete of all,) being omitted from that of Boulac; and I have, therefore, given but one Table of Contents for these two Editions. The Breslau Edition, though differing widely from those of Calcutta (1839-42) and Boulac in contents, resembles them in containing the full number (a thousand and one) of Nights, whilst that of Calcutta (1814-18) is but a fragment, comprising only the first two hundred Nights and the Voyages of Sindbad, as a separate Tale..As for Behelwan, when he fled and fortified himself, his power waxed amain and there remained for him but to make war upon his father, who had cast his affection upon the child and used to rear him on his knees and supplicate God the Most High that he might live, so he might commit the commandment to him. When he came to five years of age, the king mounted him on horseback and the people of the city rejoiced in him and invoked on him length of life, so he might take his father's leavings (130) and [heal] the heart of his grandfather..When Sindbad the Sailor had made an end of his story, he bade his servant give the porter an hundred mithcals of gold and said to him, "How now, my brother! Hast ever in the world heard of one whom such calamities have betided as have betided me and hath any suffered that which I have suffered of afflictions or undergone that which I have undergone of hardships? Wherefore it behoveth that I have these pleasures in requital of that which I have undergone of travail and humiliations." So the porter came forward and kissing the merchant's hands, said to him, "O my lord, thou hast indeed suffered grievous perils and hast well deserved these bounteous favours [that God hath vouchsafed thee]. Abide, then, O my lord, in thy delights and put away from thee [the remembrance of] thy troubles; and may God the Most High crown thine enjoyments with perfection and accomplish thy days in pleasance until the hour of thine admission [to His mercy]!".? ? ? ? Then spare me, by Him who vouchsafed thee the kingship; For a gift in this world is the regal estate..THE BOOK OF THE THOUSAND NIGHTS AND ONE NIGHT..When the king heard these words, he abode in perplexity and said, "Restore him to the prison till the morrow, so we may look into his affair, for the day draweth to an end and I mean to put him to death on exemplary wise, and [to-morrow] we will do with him that which he meriteth.".King Dabbin and his Viziers, Story of, i. 104.
