Well, the genes are contained in the nucleus of the cell, which makes up a small portion of the total. Your clone is not you. Your clone is your twin brother (or sister) and is no more you than your ordinary identical twin would be. Your clone does not have your consciousness, and if you die, you are dead. You do not live on in your clone. Once that is understood, I suspect that much of the interest in clones will disappear. Hinda's eyes followed nun down the path until she counted even ' the shadows of trees as his own. When she was certain he was gone, she opened the cottage door and went in.
