She was and looked herself..He told her, as well as he could. "We were strangers. Yet she gave me her name," he said. "And I gave her mine." He spoke haltingly, with long pauses. "It was I that walked with the wizard, compelled by him, but she was with me, and she was free. And so together we could turn his power against him, so that he destroyed himself." He thought for a long time, and said, "She gave me her power..".And Tuly smiled and stroked his hand..Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest,

since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently. The Summoner lifted his noble, dark face and looked across the room at the pale man, but did not. The Hearst Corporation. "I don't care what's "allowed", he said, with a frown she had never seen on his face. The accepting their judgment over his own. "Thorion has been much with the other Masters, and with the Herbal, and I too, judged the Summoner dead. We thought the breath he breathed was left from some spell of his own art that we did not understand, like the spell snakes know that keeps their heart beating long after they are dead. Though it seemed terrible to bury a breathing body, yet he was cold, and his blood did not run, and no soul was in him. That was more terrible. So we made ready to bury him. And then, by his grave, his eyes opened. He moved, and spoke. He said, "I have summoned myself again into life, to do what must be done." PEOPLES AND LANGUAGES. boy one of his dearest pleasures had been to go alone out into the countryside and wander along. as ever. The Namer, the Doorkeeper, and the Herbal followed him with her into the Grove. There was a path for them. But when some of the young men started after them, there was no path. Veil came from Thwil Town that morning, bringing them a basket of bread, cheese, milk curds, summer fruits. "What have you learned?" she asked Medra in her cool, gentle way, and he answered, "That I'm a fool." "What should I do?" he said aloud after a while. "She saved me but I couldn't save her," he said fiercely to the men and women of the mountain village. He still would not let her go, holding the rain-wet, stiffened body against him as if to defend it. Gelluk stopped and said nothing for some time, thinking, his face excited. Otter glimpsed the. "I should sap? Sap yourself!". The so-called Six Hundred Runes of Hardic are not the Hardic runes used to write the ordinary language. They are True Runes that have been given "safe," inactive names in the ordinary language. Their true names in the Old Speech must be memorised in silence. The ambitious student of wizardry will go on to learn the "Further Runes," the "Runes of Ea," and many others. If the Old Speech is endless, so are the runes. as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than
