Gen's once golden hair.Adam seemed to think about it for a long time. "No ..." he said slowly at last. "We're on our own on a grain of dust somewhere in a gas of galaxies. Inventing guardian angels for company won't change it. Whether we make it or not is up to us. If we mess it up, the universe out there won't miss us." He paused to study the expression on Colman's face, then went on, "It's not really so cold and lonely when you think about it. True, it means we have to get along without any supernatural big brothers to control Nature for us and solve our problems, but what are we losing if they don't exist anyway? On the other hand, we don't have to fear all the nonsense that gets invented along with them either. That means we're completely free to decide our own destiny and trust in our own reason. To me that's not such a bad feeling." .Kath's pocket communicator buzzed, and she took it out to answer. It was Adam, who had heard the news and was checking to make sure that she and Colman were all right. Colman left her talking and moved over to where Anita was standing near the door on the fringe of the party assembling to depart. "Why'd you ever get mixed up with that bunch?" he murmured. "Wise up when it's all over. Get out of it." .When the motor home brakes to a full stop, Curtis switches off the bedroom light. He waits in darkness.."Someone you how?" Colman asked..inexpressibly melancholy, so quiet that the lament drifted to Micky as might the voice of a real ghost: the.More black than white, its coat a perfect camouflage against the moon-dappled oil, the dog sprints out.horse as they cross burning desert sands. Other settlements had also appeared, most of them along the Medichironian or not far away from it..Driscoll sighed irritably. This was no time for long debates. "You don't understand," he said..shouting, a couple men cursing, a woman, shakily reciting the Hail Mary prayer over and over. The.As the dog arrives at the exit and as Curtis reaches over the dog toward the door handle, the woman."They really do." ."Was that why those guys took off?" Jay asked, by now having regained most of his color. "It probably had something to do with it," Colman said, grinning. "That's the kind of trash you have to deal with. Still interested?".the floor. He stays low, hoping to get out of sight before the two cowboys arrive. He avoids collisions.The dog follows at his heels..small, though it isn't beyond the realm of possibility.."If you mean systems of beliefs based, despite their superficial appearances to the contrary, on morbid obsessions with death, hatred, decay, dehumanization, and humiliation, then the answer to your question is no," she said, looking at Colman. She glanced at her grandchildren. "But if a dedication to life, love, growth, achievement, and the powers of human creativity qualify in your definition, then yes, you could say that

Chiron has its religion." He went to the bed, leaned down to his sister, and kissed her damp cheek. If he had asked for water
