South of Andanden lies a land where the ashes fell a hundred feet deep when last the volcano spoke. Rivers and streams cut their way seaward through that high plain, winding and pooling, spreading and wandering, making a marsh of it, a big, desolate, waterland with a far horizon, few trees, not many people. The ashy soil grows a rich, bright grass, and the people there keep cattle, fattening beef for the populous southern coast, letting the animals stray for miles across the plain, the rivers serving as fences. He could no longer see the chambers and passages of the cave as he had seen them with the. "To those who will give me my name. In fire not water. My people." There's no truth in this tale but one, which is that indeed one of the first Masters of Roke opened and entered a great cavern. But though the roots of Roke are the roots of all the islands, that cavern was not on Roke. sweet golden wine. "Wine of the Andrades," said the young man with a modest, complacent smile. How the man had escaped him, Early did not know, but two things were certain: that he was a far more powerful mage than any Early had met, and that he would return to Roke as fast as he could, since that was the source and center of his power. There was no use trying to get there before him; he had the lead. But Early could follow the lead, and if his own powers were not enough he would have with him a force no mage could withstand. Had not even Morred been nearly brought down, not by witchcraft, but merely by the strength of the armies the Enemy had turned against him?. "Nobody can do more than that," said Rose. Tern left late that year on his journey. He had with him a boy of fifteen, Mote, a promising weatherworker who needed training at sea, and Sava, a woman of sixty who had come to Roke with him seven or eight years before. Sava had been one of the women of the Hand on the isle of Ark. Though she had no wizardly gifts at all, she knew so well how to get a group of people to trust one another and work together that she was honored as a wise woman on Ark, and now on Roke. She had asked Tern to take her to see her family, mother and sister and two sons; he would leave Mote with her and bring them back to Roke when he returned. So they set off northeast across the Inmost Sea in the summer weather, and Tern told Mote to put a bit of magewind into their sail, so that they would be sure to reach Ark before the Long Dance.
